About us

Hettich is a 135 years old family owned German lifestyle brand, being one of the world's largest manufacturers of Furniture Fittings and Hardware with sales exceeding 1.5 billion Euros. It has presence in about 80 countries with over 8000 employees taking up the challenge of developing intelligent technology for furniture to create magical interior experiences for its customers.

In India, Hettich started operations with the dawn of the new millennium and within a short span of time gained undisputed leadership position in the Indian furniture fittings & hardware industry.

Hettich has state-of-the-art manufacturing capabilities globally including India, which enable it to manufacture world-class products both for the domestic and overseas markets. Its manufacturing facilities include three plants at Vadodara, Gujarat and one at Indore in Madhya Pradesh with another one in the pipeline. The company is firmly committed to the clarion call for Atmanirbhar Bharat by pursuing the philosophy of 'Make in India. Make for the World!'

FrankoFlex

Adjustable fitting for head and armrests in upholstered furniture

The ratchet fitting FrankoFlex is still a synonym for the adjustment in upholstered furniture and creates a clear added value for our customers thanks to its stability and flexibility in use.

FrankoFlex – for the individual adjustment of head- and armrests

FrankoFlex L – heavy duty individual adjustment of backrest

Possibility to mount on wooden and steel-tube bases (upon request available in a weld-on version, finish .03)

The unobtrusive enclosed design does not detract from the appearance and guarantees a secure functional performance.

The fine notches of 9° render the individual adjustment of the fitting possible.

Fixing-holes in 32-mm-system.

As the fitting is flat and slim, it offers many mounting possibilities.

- ▶ Standard – Arm rest – FrankoFlex
- ▶ Standard – Back rest – FrankoFlex L

ProFlex

ProFlex provides adjustment of the arm- and headrest in upholstered furniture

ProFlex is conceived as a modular system

Many applications are possible

Basically add-ons can be combined, e. g. Silent Mode, Easy Stop and spring, Stretch version

All variants are available in surfaces chrome and black

Point of return on the market with 7°, this makes new designs possible

Reversibility – the ProFlex can be switched from various positions. This ensures a comfortable adjustment and a reduction of variants

Wide adjustment range up to 135°, fine notches in 5° steps

- ▶ Premium – Head / Arm rest– ProFlex

CoFix KD fittings

The innovative plug in system

The plug in system family CoFix allows complete disassembly of furniture for easy and convenient transport of the individual segments. At the place of destination the furniture is quickly reassembled, without any tools. Production, warehousing and transport are simplified and your costs are reduced.

Plug in system CoFix M

Makes easy work of dismantling furniture and reassembling it at the new location.
Simplifies production, facilitates storage and optimizes transportation.
Reduces your costs across the value chain.
