

Sachsenküchen backs drawer technology from Hettich

AvanTech YOU for the new "AccuraBox"

Fittings specialist Hettich can announce a further cooperation partnership in the premium kitchen segment: as a manufacturer of high quality kitchens, living room and bathroom furniture, Sachsenküchen will be presenting its new "AccuraBox" drawer system for the first time at the "A30 Küchenmeile" kitchen show from 16 to 22 September 2023. The "AccuraBox" will be available at Sachsenküchen from the 1st quarter of 2024.

Push-to-open Silent soft action opens and closes handleless drawers gently and quietly. "AvanTech YOU Illumination" LED signature lighting complements the new system in a way that's particularly attractive.

Commenting, Sachsenküchen Managing Director Elko Beeg says: "Design, customisability as well as the most exacting of demands on quality and practical functionality were key criteria in our
