

A New Addition to The Hettich Canada Sales Team

New talent supports continued growth

Montréal, Québec – July 17, 2019 - We are very pleased to announce the newest addition to the Hettich Canada sales team, Joe D'Amico.

Joe D'Amico - Territory Sales Representative, Ontario

On July 2, Joe D'Amico began his first day at Hettich Canada as Territory Sales Representative in Ontario. The appointment was in line with our ongoing strategy to steadily increase sales of Hettich products within the province. Joe's role will be crucial in ensuring Hettich's strong presence through the distribution channels within Ontario. Joe reports to Robert Ashmore, the National Sales Manager located at the Hettich sales office in Toronto, Ontario.

Joe has over 20 years of experience in sales within the industry, making him a strong profile for the role. He will play a very important role developing the market and increasing sales within the enterprise. From 1999 to 2001, Joe functioned as both an inside sales representative and outside sales representative at CanWel Building Materials. When he moved to pursue his career at Wanderosa Wood Products, he continued to focus on both inside and outside sales, which eventually lead him to the role of Specification Manager from 2012 to 2019.

Please join us in welcoming Joe D'Amico to the Hettich Canada team.
