Bedroom, Living room, Office room and Showroom collection
After the stupendous success of Kitchen Design Collections vol - 1 and vol - 2, we are now proud to present Bedroom, Living room, Office room and Showroom collection.

This catalogue will provide you with a wealth of new ideas. It gives details of our products and illustrates practical applications. It will help you to improve your ability to design and realize your customers' dreams.

Behind each separate idea lies the strength of combined experience. We are a family-managed firm with a tradition of innovation and customer service going back over a 100 years. Remaining true to our origins, we offer our customers opportunities to increase their competitive advantage through our continuous innovation.

We operate throughout the world. This means we're within reach wherever you need us. The consistently high quality of our products helps you to maintain your good reputation with your customers. Our reliability makes your planning easier. We guarantee our products and services with our name and with all that it stands for.

Yours sincerely,

Team Hettich India
Introduction
“If this business were split up, I would give you the land and bricks and mortar, and I would take the brands and trademarks, and I would fare better than you.”

John Stuart, Chairman of Quaker (ca. 1900)

The tag line with the logo says it all, Hettich is Technology for Furniture. This is what we have been doing with great success for over 100 years, with presence in over 100 countries spread across 5 continents.

Our Brand Values - Quality, Innovation, Reliability, Closeness to Customers are what we stand for. All our actions are with the end user in mind. We want happy and satisfied customers at the end of the value chain, who guide our every activity.

With the right mix of innovation and continuity, Hettich offers its customers high value and reliable solutions that put life and movement into furniture.

In keeping with changing lifestyles, the wardrobe too has undergone transformation; it is no longer just a place to keep clothes. It is a style statement of the home-maker and is meant to offer convenience, ease and fun to the consumer besides being hi-tech and looking good. That’s why it’s so important to get efficiency molded into its design. Hettich helps wardrobe manufacturers to make elegant, stylish and user-friendly wardrobes. With its vast experience of doing business with some of the world’s biggest manufacturers, Hettich is proud to present 21 contemporary and classic style patterns for your wardrobe.
