Waste Collecting Systems Guide

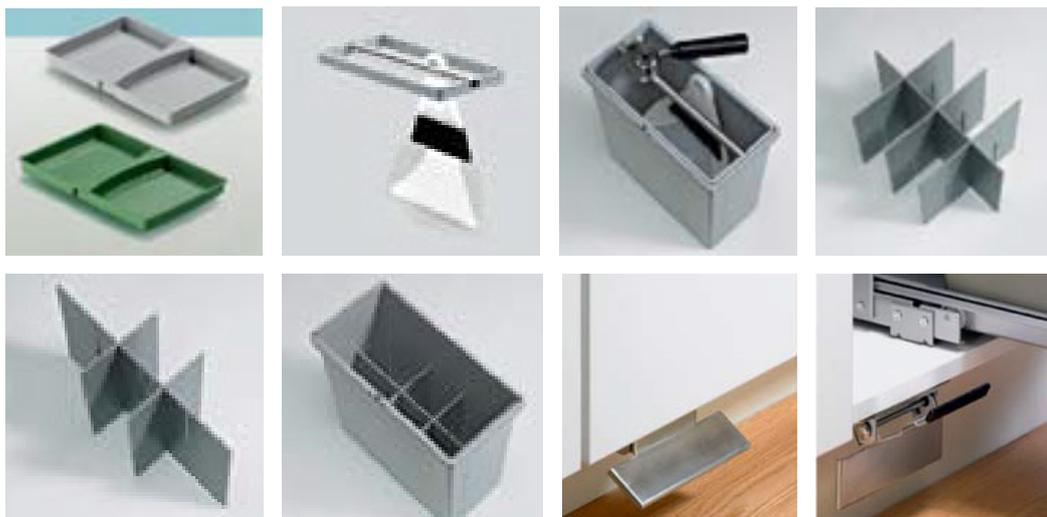

- ▶ About this guide
- ▶ Accessories
- ▶ How to use

This guide will assist you in choosing the right kit of bins and frames for up to 18 combinations of bins for the ArciTech drawer range. Additional customisable options are available upon request, contact our Customer Services team or your Sales Representative for more information.

Also available are a full range of bin accessories including:

- ▶ Lids for all bin sizes
- ▶ Coffee grind 'knock bar' and dust pan/brush (inserts into 11L bucket)
- ▶ Practical dividers for cleaning products
- ▶ Foot pedal for hands-free opening

For more information on accessories, refer to pages 81 - 82 in the ArciTech catalogue.

How To Use

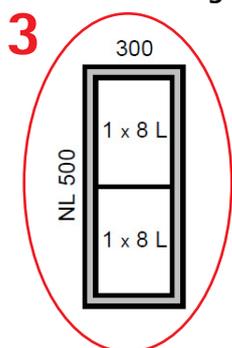

Below outlines all the information you need to know on how to use the guide and how to order.

- 1. Kit Name:** This is the name of the kit, it includes all the products outlined in the information table.
- 2. Kit Code:** Use this code to order.
- 3. Partitioning Guide:** Image which outlines the bin layout and the liter-age.
- 4. Planning Dimensions Image:** the X and Y measurements, to work out the cabinet/bin height requirements, are in the information table.
- 5. Information Table:** Outlines the products included; their product codes (if not ordering as a kit), the description (including dimensions), the planning dimensions and the quantity of each product per kit.
